Unlimited Bulk Pickup- is scheduled for **Saturday, May 3rd**. Trash should be place at the curb no earlier than Friday evening and no later than 7:00 am the day of pickup. Acceptable: furniture, mattresses, appliances without freon. Not accepted: refrigerators, air conditioners, yard waste, tires, batteries, hazardous waste. Regular garbage will not be picked up at this time, it is scheduled for Tuesday as usual.

Chicken Dinners-will be hosted by the Village at the **Party in the Park, Saturday, June 14th**. Dinners include ½ chicken, original recipe of sweet & sour cabbage, beans & roll/butter. 100% of the proceeds go back into the park fund. If you would like to volunteer, please contact the office.

Town Garage Sales- Scheduled for **Saturday, June 21st from 9am to 4pm**. Permits are available at the Village Office for \$10.00. A town map will be distributed to area businesses with a list of registered permit holders.

AED Defibrillator- has been placed in the Village Office. This was possible because of ongoing support of the annual Fulton County Heart Radiothon & we are so grateful. Thanks for the donations to this event!

Our Tree Commission has been working hard and because of them we are now recognized as a Tree City USA member. We would like to thank members: Chairman Rick Meiring, Secretary Sandy Witt, Lee Ann Miller, John Pupos, and Lynette Beroske. The Village is now requiring anyone who wants to plant a tree in the Village right-of-way to obtain a tree permit. Approval needs to be given to the kind of tree and the size so it does not interfere with power lines, cable lines, etc. **Dial 811 before you dig.**
