- **County & Village Alerts-** To sign up for notifications about the village and to get Fulton County Northeast Water System alerts go to [www.fultoncountyoh.com](http://www.fultoncountyoh.com) and look for the **Sign up for Text Alerts** tab at the top of the page. You can choose to just receive alerts from our village, or you can choose to add additional alerts from the county. Northeast Water System is defaulted so you will automatically receive alerts re: the village water, when signing up.
- **Branch Pick Up-** will begin weekly on Mondays, starting **April 3<sup>rd</sup>** through the last week of October, weather permitting. Please have brush to the curb by 7:00 a.m. on Mondays. Please abide by the following guidelines: Branches shall be placed with cut ends together facing the same direction, branch diameter should not exceed 4 in., and the length not to exceed 8 ft., piles should not be larger than 4 ft. in height and should easily be handled by 2 people. If needed, put larger piles into smaller piles that are manageable with a forklift.

**Sewer Smoke testing recommendations-** Residents who have their downspouts, sump pumps or floor drains going into our sanitary sewer system need to have them re-routed to another area. These are “easy fixes” to help our sewer system run efficiently! This will eventually be enforced.

Reminder.....Metamora Operation Clean up 2023 will be underway shortly with Spring quickly approaching us. Village Council has declared 2023 the year of clean up for the Village of Metamora. Council will be surveying the village for zoning violations and sending out notices. Any questions, please contact the village office.

**Practice fire safety** Grab your clan and practice your fire escape plan! It is recommended that you practice at least 2x/year. Designate a meeting place and know at least 2 ways out of the house in case of a fire. Also, install smoke alarms on every level of your home. Inside bedrooms and outside sleeping areas. If you can, interconnect your smoke alarms so that when one sounds, they all sound.
